

**One step,**

**one day,**

**one success at a time**

**Chesterfield  
Recovery  
Academy**

Chesterfield Recovery Academy is a year-round program serving high school students from central Virginia's Region 1 schools who are in early recovery from substance use disorders. Students receive:

- Individualized curriculum and academic support.
- Flexible scheduling for work or participation in internships.
- Access to substance abuse and mental health counseling.
- All the credits they need to graduate.
- Students may remain in the program as long as needed to ensure continued success.
